“ Dear Bonner Family,  
We were sorry to hear of the loss of your dad and grandfather. I got to know Bert at the Heber City Post Office when he was helping your Mom. I loved his unselfish devotion and loyalty to her. He showed up everyday, early morning, snow and ice. His patience was extraordinary. I loved talking to him, amazed at his hiking and biking stories. He hinted about hard times, but he lived with dignity. Good-bye, Bert. Our love to his family.

“ Dear Bonner family, I am so sorry for your loss. Your Dad was a fine man with many admirable qualities. You can be very proud that he is your father. His life was not easy (nobody's is) but he did very well. You have my deepest sympathy. God bless you with comfort and peace. May the memory of his goodness remain forever in your hearts. Due to health problems I will not be at the service, but I will be thinking about you..

“ Bonner children,  
I am so sorry to hear about the passing of your father.  
He was a good man.  
I remember talking with him when I worked at Ivers' Merc years ago and was so impressed by his great ability to remember details.  
May you remember the good things about him and the fun times and may you be comforted at this time.  
with love,
